

Girl Scout Pleasant Meadow Service Unit (Barkhamsted/New Hartford) would like to invite both towns to a community event. Our girls have painted friendship rocks and placed them on hiking trails in Barkhamsted and New Hartford. There are 58 rocks. They have green dots with numbers on them. Feel free to hike through the month of October and see if you can find all the rocks. If you have girls grades K-12 that would like to join Girl Scouts, please contact us through [pleasantmeadow@outlook.com](mailto:pleasantmeadow@outlook.com). Feel free to send in pictures of your families having fun to the same email address. We love to see our communities enjoying the nature and the history around them. The three trails listed below are where you will find the rocks. Trail maps are available online for all three. Enjoy!

Brodie Park South Blue Trail, Niles Rd., New Hartford  
 Lighthouse Trail Loop, East River Rd., Barkhamsted  
 Jones Mountain Red Trail, Steele Rd., New Hartford
