

## Welcome to EdAdvance Food Service Program at New Hartford Schools

Greetings Families!

EdAdvance Food Service and New Hartford Schools welcome you to the 2023-2024 School year. EdAdvance will be sponsoring School Food Service in New Hartford Schools this year. We will follow the National School Lunch Program and will be providing meals that are balanced and nutritious. Every meal includes fruit, vegetables and low-fat or non-fat milk. We are committed to providing a high quality lunch service.

**Per USDA and State requirements LUNCH meals will be returning to the tiered system of Paid and Free, students who qualify for free or reduced meals will receive free lunch, and ALL ANTOLINI STUDENTS first Breakfast meals will be FREE this school year.**

**Meal Pricing:** *Breakfast is free* for all Antolini students this school year!  
Lunch is \$3.00 for paid students. Free and Reduced student lunches are free.

Those students who are directly certified for Free or Reduced Meals will be getting letters to verify their status as soon as information is available from the state. We encourage anyone not directly certified who believes they may qualify for free meals to complete an application. Applications can be found on the Food Service webpage. If you would like a paper copy of the application, call us at the number below.

Meal payments may be made through checks made out to EdAdvance / New Hartford Food Service or cash in an envelope with the child's name and teacher to the school. Payments also may be made through the e~Funds System. More information with new links will be available on the Food Service website soon.
