Dear Families,

We have some exciting news that we would like to share with you! Last year we had such a wonderful time doing the *One Book, Two Schools* reading program, that we have decided to do it again! Everyone - students, parents, teachers, and even administrative staff - will be participating in this reading adventure.

We are looking forward to our big book reveal either this week or next (we are waiting for the arrival of the books we've ordered). On the day of the big reveal, each student will receive their official copy of the book to take home. Each household will receive one copy.

In addition to the book, you will receive a weekly bookmark which will include the weekly at home reading assignments. Signed bookmarks should be returned to school on Fridays. Teachers will take this extra reading time into consideration as they assign their nightly homework. In school, there will be various activities that discuss and explore the book.

If you have any questions, please feel free to contact your child's classroom teacher or Dr. Pangallo. We are so eager to kick off this amazing project and look forward to having you join us!

Happy Reading,

The Climate Committee
