

Kindergarten Registration 2022

Dear Parents,

We have now opened kindergarten registration for the 2022-2023 school year. We request that if your child is kindergarten eligible, **turning 5 on or before December 31, 2022**, you complete the registration packet. We appreciate your timely response to this matter. While the 2022-2023 school year is a long way off, we are already beginning to plan for your child's entry.

We will offer a kindergarten informational session on Zoom, Thursday, **January 20** at 2:00 PM, for both New Hartford Elementary School and Bakerville Consolidated School. At this time, you will hear information about our kindergarten program and meet with a school nurse, Kindergarten teachers and me. You can find the link on our school website at newhtfd.org under News and Announcements or join by clicking here:

Meeting ID: 868 0812 6617

Passcode: JfTbh9

Please mail/or drop off the completed Registration, Transportation, Developmental History forms to either school as well as a **copy** of your child's birth or baptismal certificate, **two proofs of residency** and health records showing evidence of DPT, polio, measles, mumps and rubella (MMR) and Hib (before age 5) immunizations.

If your child is attending a preschool or daycare program, we request that you have the Early Childhood Screening Form filled out by the preschool teacher and returned to Bakerville Consolidated School or New Hartford Elementary School as soon as possible. This information about your child will be helpful to us in placing your child in the appropriate class.

Determination of which school your child will attend, either New Hartford Elementary or Bakerville Consolidated will be sent to you in August. This decision is based upon the total number of students registered as well as home address. It is possible, due to late registrants, that adjustments may be necessary as late as early August which is why we can't finalize school placement any earlier.

If you have any questions regarding this informational session, please contact Colleen Wipperman at wippermanc@newhtfd.org.

We look forward to seeing you at our Zoom meeting on January 20!

Sincerely,

Kelly Reis Carroll
Principal
